	STATE OF HAWAII	9.364
.....		9.365

Class Specifications
for the Classes:

SCHOOL & SWIMMING POOL CUSTODIAN III, IV, & V
(SCHOOL & SWMG POOL CUSTODIAN III, IV, & V)

Duties Summary:

Supervises work connected with the cleaning and maintenance of school buildings, a large swimming pool, and surrounding grounds and walkways; and performs other related duties as assigned.

Distinguishing Characteristics:

This class reflects immediate overall responsibility for the cleaning and maintenance of school buildings, surrounding grounds and walkways, and a large swimming pool. The work includes the supervision of a crew of subordinate school custodians and a swimming pool custodian, and may include the supervision of other types of subordinates.

A position in this class provides effective supervision to a swimming pool custodian who maintains a large swimming pool, including the operation and maintenance of chlorinating, filtering, heating and pumping equipment.

Examples of Duties:

Grade Standards:

School & Swimming Pool Custodian III: This class is characterized by responsibility for a school where both of the following situations exist: (1) the enrollment is from 900 students or less, and (2) supervision is exercised over 1 or more but less than 4 (FTE) subordinates.

School & Swimming Pool Custodian IV: This class is characterized by responsibility for a school where both of the following situations exist: (1) the enrollment is 901 to 1500 students; and (2) supervision is exercised over 4 to 7 (FTE) subordinates.

School & Swimming Pool Custodian V: This class is characterized by responsibility for a school where both of

the following situations exist: (1) the enrollment is more than 1500 students; and (2) supervision is exercised over more than 7 (FTE) subordinates.

Knowledge and Abilities Required:

Knowledge of: Cleaning methods, materials and equipment; types of cleaners for various materials and surfaces; common trade practices and tools; operating principles of small water pumping systems and equipment involved; methods and practices used in minor repair and operational maintenance of small water pumps; methods and practices of filtering and purifying swimming pool water; cleaning methods and materials and equipment used; swimming sanitation practices; equipment and tools used in grounds maintenance; general practices in the cultivation and care of flowers, plants, shrubs, trees and lawns; and principles and practices of supervision.

Ability to: Issue and follow oral and written instructions; plan work and supervise others; make minor maintenance repairs to the building and equipment therein; recognize signs of mechanical wear of pump and filter equipment and make minor repairs; make simple repairs to plumbing, electrical and wooden fixtures and apparatus; keep records and make simple reports; and meet and deal tactfully with other employees, school age children or youth, and the public.
